

# Live UNCOMMON

CONCORDIA UNIVERSITY

Ann Arbor, Michigan

# Concordia for now; **CONCORDIA FOR** *life*

Concordia University Ann Arbor offers a welcoming campus community where everyone is known—you are never just a number in a classroom—and has endless ways to get involved and be included. You can choose from tons of sports, clubs, programs, and classes to help you spread your wings, select a career path, make life-long friendships, and have unforgettable experiences! We help to prepare students for more than just the next four years; Concordians graduate fully prepared to live an uncommon life of purpose and service giving back to Christ, the Church, and the world!

*Come see for yourself.*

# MIND

All colleges are invested in expanding your knowledge. At Concordia, we seek to open your mind, eyes, and heart to new concepts, ideas, and solutions. Your knowledge will be challenged and you'll be encouraged to try new things, interact with different people, and pursue uncommon opportunities inside and outside of the classroom. Don't worry! You won't do any of this alone. You will receive the guidance you need to stretch and grow into the person you were uniquely created to be.

### Can't quite decide?

If you're not quite sure what you want to study yet, that's perfectly fine (and actually normal). Our academic advisors will make sure you don't miss a beat while they help you figure out your path.

# BODY

Our beautiful campus overlooks the Huron River and is located in one of the greatest college towns in America. Our hometown is an urban playground of trails, walking tours and activities to keep you moving. If you're looking for on-campus movement, it's easy to live a healthy lifestyle here too. With over 25 varsity athletic offerings and year-round intramurals, a majority of our students take pride in being active and competitive.

# Beyond THE GAME

Athletics are a big part of our uncommon way of life, and cheering on our Cardinals is a favorite campus pastime. Whether you compete on the field or paint your face red on game day in support, you'll feel a difference among our student athletes and a higher purpose in the level of competition. Not to mention, we offer athletic scholarships in many of our men's and women's sports. Concordia athletes adhere to four core values: Christ-centered, servant-leadership, integrity, and championship-mindset, ensuring that they are well prepared for life, not just the next game.

# SPIRIT

We're not just about living for ourselves. Our vibrant Christian community is united in faith and put into action in service to God, His Church, and the world. Your opportunities to strengthen your relationship with Jesus are not limited to worship. He is among us, and guides us in the classroom, on the fields, throughout the halls, and within our hearts. His living presence in our busy campus lives can only be described as *uncommon*.

# FIND *others* INTERESTED IN YOUR INTERESTS

Even with a heavy course load, most of your time in college will be spent outside of the classroom. A Concordia experience would not be complete without the extracurriculars—athletics, clubs and student organizations, events and activities, concerts, theater performances, service opportunities—the list goes on. Explore all the ways *you* can get plugged in: [cuaa.edu/life](http://cuaa.edu/life)

It's no surprise that Campus Ministry is the most active student group on campus. Outside of daily chapel, our student ministers enliven campus with weekly opportunities to come together to share His word in celebratory song and quiet reflection. Beyond campus, Concordians minister locally through service to congregations and organizations in need, and throughout the world by participating in life-changing mission experiences.

You'll find our 16 residence halls are all within a five-minute walk to classrooms, our Chapel of the Holy Trinity, food, and anywhere else you need to be. With rooms strategically laid out around a central, community lounge and well-appointed kitchen, it's almost impossible not to find ways to interact with your hallmates. And yes, each room does have cable TV!

# Riverfront DIGS IN A BIG TEN TOWN

Concordia offers a unique opportunity to enjoy all the amenities of one of the greatest college towns in America, but in a small, idyllic setting. Our campus overlooks the Huron River and revolves around our bustling Chapel of the Holy Trinity at the center and heart of it all. Here, everyone will know you by name. When you choose Concordia you become a part of a life-long community of people who will love you, pray for you, laugh with you, and walk alongside you as you prepare to reach your fullest potential.
