**All of the above information must be supplied for the request form to be accepted.**

*\*Please note the request form and a copy of the accompaniment must be returned to the recital organizer at least **two weeks** prior to the recital date. If the accompaniment is particularly difficult, please give music to the recital organizer at least one month before the recital. A rehearsal time with the accompanist will be scheduled sometime within a week of the recital date. Look for rehearsal information to be posted on the band or choir bulletin board in the Kreft Center. Special requests for performer placement in the program may be honored. All performers are expected to attend the entire student recital, unless special permission has been given by the student's private music instructor or the recital organizer. Permission to leave early will only be granted in the case of a class or rehearsal conflict.*
