

## Communication

The Communication major is designed for working adults. The program is interdisciplinary, combining business, information management, and communication courses. This academic discipline can be applied to a wide variety of occupations. The skills developed in this program pertain to virtually any professional setting. The program features 17 courses, including Writing the Critical Analysis, Research Methods, Senior Project and two additional elective communication options. Up to 30 credit hours of the degree may be earned through Credit for Prior Learning.
