

Each semester, students preparing for graduation are invited to share feedback with the university regarding their Concordia experience. The feedback assists the institution in both conducting self analysis and in sharing our progress with others. Page one of this report summarizes the Fall 2020 collected response. Page two shows responses to the same questions over time.

Respondents used a slider to show from 1 to 100 how well they were able to accomplish their goals during their time at Concordia.

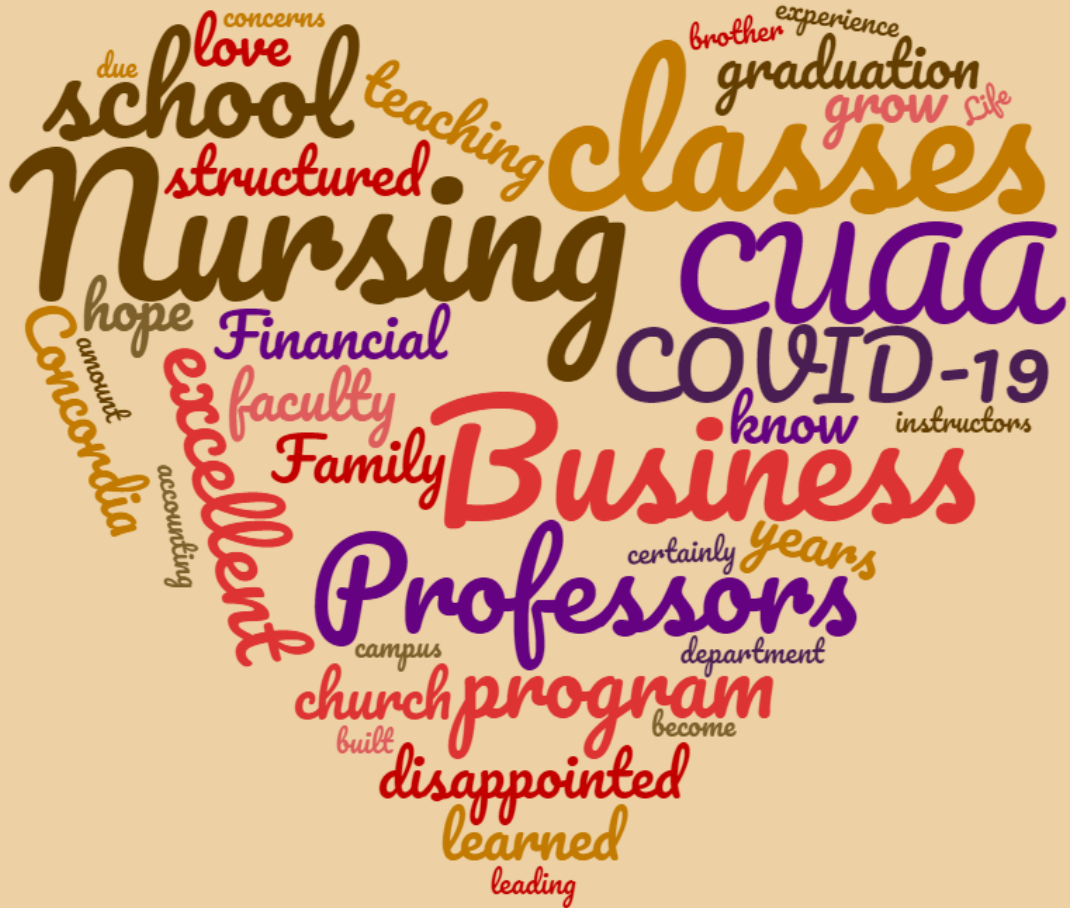

Responses to "What are you immediate plans after graduation?"

Working Full Time	69%
Working Part Time	13%
Continuing Education	12%
Other	6%

At the close of the survey, graduates were invited to share any additional thoughts and feelings regarding their experiences at Concordia.

The following word cloud was created from these verbatim comments. The size of the word indicates relative frequency used across all written responses.
