

**Transfer Opportunities for Ann Arbor Students between
Concordia University Wisconsin & Ann Arbor and University of Illinois Springfield**

Below is a chart mapping how each Concordia University Wisconsin Ann Arbor course will arrive at UIS. All lower division (100 and 200 level) courses have been articulated from the most recent catalog. Most upper division (300 and 400 level) courses have been articulated, but not all. If applicants from CUAA have courses to transfer to UIS that are not on the list below, they will be articulated for credit at time of applying. All lower division credits have been given direct equivalencies to UIS courses where possible. Upper division courses will get departmental elective credit and cannot be articulated as direct equivalents. If an applicant believes their upper division CUAA course is equivalent to a UIS course, they can submit a petition with their advisor with a few needed documents to try and receive that credit. For questions on these or other articulations, please contact UIS's offices of Records and Registration (REGISTRAR@uis.edu) or Admissions Processing (admprocessing@uis.edu).
