PROGRAM GOALS

Students develop the knowledge and skills needed to teach children in grades 6-12. This program combines rigorous coursework with hands-on experience to ensure candidates gain a comprehensive education.

You can choose from a wide range of majors including Special Education, Mathematics, Integrated Science, Comprehensive Social Studies, Physical Education, and English. CUAA's unique philosophy of education creates career-ready professionals, who can teach in any public, private, or government sponsored educational setting.

Graduates of CUAA have a job placement rate of over 95% in the Secondary Education field, within six months of graduation.
