**1920 VERIFICATION OF NON-FILING STATEMENT**

I certify that I have not filed and am not required to file a 2017 income tax return. I further certify that I have attempted to obtain the verification of non-filing documentation from the IRS or other tax authorities and was unable to acquire said documentation.

I have listed below all sources of income received for the 2017 tax year and have submitted my W2's for each source of employment income that I have received. If no income was earned, please indicate such by writing n/a below.
