

I TOOK THE PLEDGE!

I am a COVID Conscious Concordian and commit:

To physical distance in campus public spaces, open offices, and classrooms.

To wear my mask on campus when near other people.

To use proper handwashing techniques and sanitize my workspace 2x each day.

To utilize virtual tools for meetings as often as possible.

To practice the 5-steps:

1. hands, wash them often

2. elbow, cough in it

3. face, don't touch it

4. feet, stay 6 ft apart

5. feel sick?, stay home

Most of all, I commit:

To encourage others to join me in these efforts.

To do what I can in my daily choices to promote health and wellness.

To pray for the health and well-being of every Concordian each day.
